

## PRICIPAL'S MESSAGE

Dear St Therese School Community,

This term has been a remarkable journey of learning and growth for our students. It's been inspiring to witness their development not just in Literacy and Numeracy, but across a broad spectrum of learning areas.

Our Term 2 Science Exhibition showcased the impressive scientific inquiry and critical thinking skills our students are honing. The event was a testament to their ability to apply scientific principles in engaging and innovative ways.

In Social Sciences, the sharing of our community has enriched the students' understanding of journeying. They've explored geography, navigational skills, and delved into the processes of journeying and values that embody resilience within our community.

The Arts have flourished this term, with students producing stunning visual arts and showcasing their talents in music, dance, and drama. Our lessons with Whaea Liv and Mrs Fullerton, along with the spectacular school production 'Valuing our Past to Navigate our Future' led by Geoff, have ignited a passion for the arts in many students.

We couldn't be prouder of the achievements of our students at St Therese School. The wide range of opportunities and experiences we offer, supported by our dedicated experts, continues to foster their growth and development.

Thank you to our community for your support. We look forward to another fantastic term of learning after the school break. Enjoy the holidays with your families and take care.

Warm regards,  
Laura Geaney

## MID-YEAR REPORTS

Mid-Year Reports will be provided to families on the last day of Term 2, Friday, 5th July. Parents will receive these reports when picking up their child/children at 3pm. Please ensure you have received the report before leaving school. School reports provide an opportunity for teachers to share insights about students' progress, achievements, challenges, and next steps. They also include information about participation and behaviour. Please take the time to read your child's report thoroughly. Communication between school and home is crucial in supporting learning and progress.

## OUR SCHOOL PRODUCTION

The opening night of our school production, 'Valuing our Past to Navigate our Future,' was absolutely incredible. The turnout from our community showed our students just how much support surrounds and embraces them. Thank you to all who attended and made the night special.

Our final show tonight promises to be a memorable conclusion to an extraordinary term. Please ensure your children are present at school by 5:15pm to prepare for the performance.

Photos of the performances will be shared in the coming days through our school's social media channels on Facebook and Instagram. We extend our gratitude to the Pua-Valenzuela family for capturing these amazing moments to share with everyone.

## IMPORTANT DATES IN TERM 3 – MARK YOUR CALENDARS
